MANAV RACHNA INTERNATIONAL INSTITUTE OF RESEARCH AND STUDIES (DEEMED TO BE UNIVERSITY)

ANNUAL E-GOVERNANCE REPORT

AY2017-18

Annual E-Governance Report AY2017-18

Manav Rachna International Institute of Research and Studies (MRIIRS) has subscribed to a comprehensive Cloud based EMS (Education Management System) from M/s iCloud EMS (during this AY2017-18), Pune which provides integrated solution to enhance and digitize the processes including Admission, Fee, Student's academic life cycle, Transport, Hostel, Feedback, Recruitment &HR processes and other administrative operations in the university through its web & mobile based applications. Apart from i-cloud EMS, multiple software's have been procured as per the requirement in different domains.

1. E-Governance initiatives taken during AY2017-18:

During AY2017-18, multiple e-governance initiatives were taken at MRIIRS. Smooth shift of all the Academic and Administrative processes from TCS-iON to i-cloud EMS with following inclusions apart from course allocation and attendance module:

- Conduct of Feedback on Course Delivery through i-cloud EMS
- Generation of ID-cards through i-cloud EMS.
- Digitization of Continuous internal assessment records and End semester records through i-cloud EMS have also been incorporated
- Uploading of Degrees and Transcripts on CVL-National Academic Depository (NAD).
- · Circular module was also introduced.
- · Admit Card/ Hall Ticket generation.
- Fees/ Finance & Accounts through EMS
- HR/Leave/ Recruitment System
- Staff Profile section on EMS to record staff achievements

For successful implementation of e-Governance, training programmes were conducted for teaching and non-teaching members of MRIIRS in association with IQAC, MRIIRS.

--It was also updated that implementation of the **Process of Course and Program/Program Specific Outcome Attainment** using both Direct (Continuous Internal Assessment and End Semester Examination) and Indirect tools has been done successfully through i-cloud EMS and module is being used by the faculty members from this AY2018-19 onwards. For computing outcome attainment using indirect attainment, following surveys shall be conducted through i-cloud EMS:

- Course exit survey for Course Outcome Attainment
- Program exit survey for Program/ Program Specific Outcome Attainment
- Alumni survey

Registration of the second of

2. Current Status of implementation of e-Governance at MRIIRS:

Current Status of implementation of e-Governance at MRIIRS is presented as follows:

E -Governance Areas	Modules	Implemented through Platform
Administration	1.Biometric Attendance Marking, Monitoring and Leave Management	1. Starlink
	2. Feedback module	2. I-cloud EMS
	3. Hostel and Transport	3. I-cloud EMS
	4. Human Resource and Recruitment	4. I-cloud EMS
	5. Staff Achievements Module	5. I-cloud EMS
	6. Institutional email-ids for all	6. Microsoft office 365
	Administrative officers, Teaching	
	and non-teaching members	
Academics	Course allocation, Time table and Lesson Plan	1. I-cloud EMS
	2. Attendance Module	2. I-cloud EMS
	Assignment Uploading and marking	3. I-cloud EMS
	4. Academic Content Uploading Module	4. I-cloud EMS
	5. Continuous internal assessment	5. I-cloud EMS
· ·	Salary and Budget	1. Tally
Finance and Accounts	2. Fee module	2. I-cloud EMS
14	Student Admission	1. I-cloud EMS
	2. Student I-card	2. I-cloud EMS
(8)	3. Student Profile	3. I-cloud EMS
	4. Academic Records	4. I-cloud EMS

	Assessment Reports	
	Course outcome and	3. I-cloud EMS
	Program/Program Specific	
	Outcome Attainment Reports	
	4. Uploading of Degrees and	4. CVL - National
	Transcripts	Academic Depository

Following modules have been implemented successfully at MRIIRS through i-cloud EMS

1. Planning and Development

- **a. Role Setup-** Module wise access rights to respective stakeholders like teaching staff, departmental heads; administrative, Admissions, Hostel/Transport, Finance, HR and other Department staffs.
- b. Faculty- course allocation, Time table, Lesson Plan and Attendance Module:
 - Students are divided into sections and practical or tutorial groups, further courses are allocated to faculty members according to specific batch/section/practical or tutorial groups and teaching load according to lecture per week is defined.
 - Time table is prepared according to the defined teaching load. Tagging of alternate arrangement, extra lecture in TT free slots, are some of the added features offered. Date wise time table can be viewed by students and faculty members.
 - Topic wise lesson plan for the whole session with proposed date is prepared and uploaded by all faculty members and it can be viewed by students as well.
 - Faculty members mark the student attendance by selecting the topic taught in the lecture within 24 hrs of the lecture conducted otherwise marking of attendance gets freezed.
 - Attendance of students engaged in extra circular activities are marked from "Event Attendance Module" separately.
 - According to the attendance marked for the topic, system updates the conducted date for all the topics. Thus, generating report considering all parameters- Proposed date with the topic and actual conducted date.

 Lesson plan and date wise/course wise/aggregate attendance report can be viewed by students and faculty members.

c. Assignments and Academic Content Module:

- Faculty members upload various assignments for the allocated courses. It
 can be viewed/ submitted by the students and afterwards faculty
 members can view/download/evaluate/reject the student's submitted
 assignments. Marks/remarks given by the faculty can be further viewed by
 the students.
- Uploaded course contents like syllabus, previous year question papers, lecture notes, PPTs, relevant web-links and videos can be viewed by students.

d. Staff achievements Module:

Teachers can upload the personal, academic and data related to their publications, conferences attended, etc and the same can be viewed/downloaded for preparation of reports required for various accreditations, rankings, surveys and compilation of data for regulatory bodies.

2. Administration

a. Circular Module:

 Important information/circulars can be shared with all the students/faculty members/staff members by the competent authorities by posting them through Circular Module. It can be viewed/ downloaded by students and staff members.

b. Feedback Module:

 Course delivery feedback is being submitted by the students in response to the defined parameters two times within a semester.

c. Hostel and Transport Module:

- Allocation of Hostel Beds and Transport vehicle according to facilities and Route/Stop opted by the student.
- Hostel and Transport ID Cards can be generated from the system.

d. Recruitment form and HR Module:

- Prospective candidates can apply by filling online recruitment form, collected data can be used for short listing, scheduling interview and sending E-Mail/SMS to the candidates.
- Staff members can view their daily attendance (IN and OUT timings).
- Check their head wise total leaves credited, leave application module, leaves status check and balance module.

3. Finance and Accounts Module

Fee Module:

- Student can view/Pay (Through Credit card/Net banking) their previous balance amount with current Academic, Hostel/Transport or Miscellaneous dues.
- · Generate/Print Fees challan.
- · View/Print Fee receipts for the Paid amount.

4. Student Admission and Support

a. Admission Module:

- Online Application form is available.
- Merit list preparation from all applicant data
- After verification of eligibility criteria, student goes through few stages for confirmation of admission namely- Data scrutiny, uploading/verification of required documents, Temporary batch allocation, Payment of fees, Final seat allocation seat,
- Automatic allocation of Temporary roll no., Generation of Admission letter
 & ID card and allocation of Hostel/Transport facility on EMS.
- After successful admission of student, system generates his/her EMS Login ID and Password which can be further accessed by him/herfor viewing academic performance and performing other activities.

b. Student Module:

- Facility to maintain admitted student data with respect to Academic year, department, batches, student status, roll number etc fields.
- Batch/Institute transfer, withdrawal and editing etc activities can be performed in student profile.
- · Generation of student ID cards.

c. Student Course registration Module and course approval:

- Students need to register to the courses offered to them under various academic baskets, which include courses from current and previous semesters.
- Students can register for the courses within the set credit limit of the offered academic basket only. According to the course pre-requites and Payment of fees, Courses are approved by the department.

5. Examination Module:

- Parameter wise internal assessment marks for theory and lab courses are entered by course faculty and the same can be viewed by students.
- Average of Internal assessment tests is calculated by the software by using the average formula.

- Attendance and Assignment marks are automatically picked from the respective module and gets converted to Maximum marks of the parameter.
- Students can view marks scored by them in every parameter, thus increasing transparency of their academic performance.
