1. INTRODUCTION

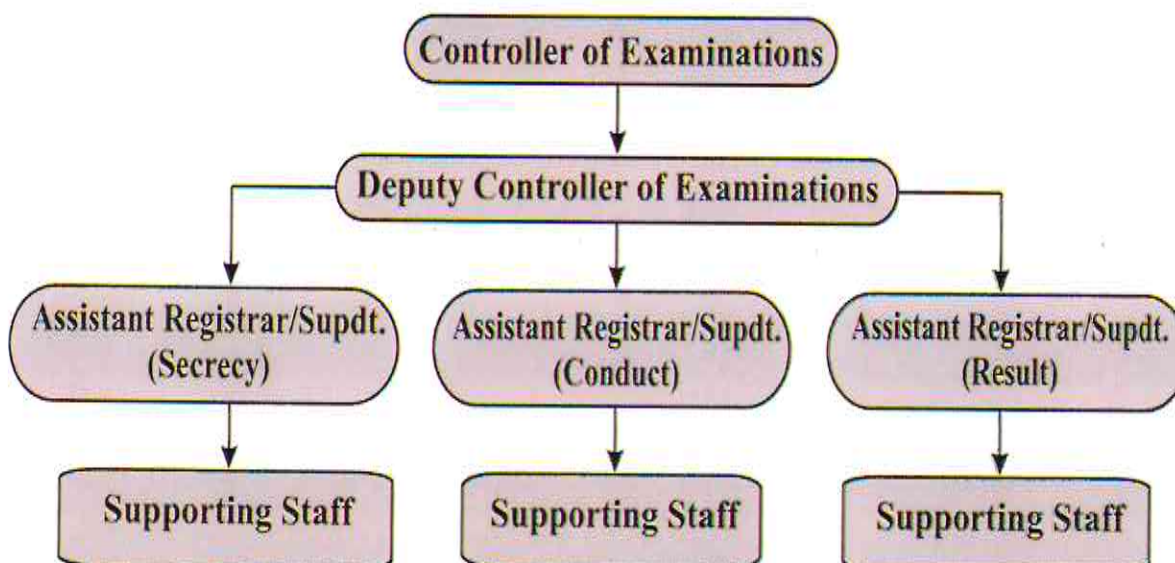

Examination function in the education system of a Higher Education Institute holds a pivotal position. It's the much-avowed objective of any HEI to ensure that the students during the tenure of their education acquire the Programme Educational Objectives (PEOs), Programme outcomes (POs), Programme Specific outcomes (PSOs) and Course outcomes (COs) of different courses. These outcomes have to be suitably aligned and measured in an Outcome Based Education. Evaluation through Examinations- both Formative and Summative provide the necessary prime mover to accomplish this all- important task. Therefore, a sound, robust, transparent and technology-enabled examination system with high reliability and fidelity has to be a *sine quo non* in an HEI for it to prosper and inspire confidence in its stakeholders.

Adhering to the above, MRIIRS have in place a time-tested examination system which has incorporated the aforesaid basic tenets. We continuously continue to hold consultative meetings for ushering in reforms to bring about accretion to efficacy and integrity of our examination system. Technology and various psychometric techniques are leveraged to enhance the quality level of the system.

2. ORGANIZATION STRUCTURE OF THE EXAMINATION BRANCH

The operations of the Examination Branch are granularized into three broad areas: Conduct, Result and Award Management. Each one of these verticals is looked after by a dedicated Deputy Superintendent / Superintendent. All functions germane to question paper settings are included in the Conduct vertical. Result and Award Management are the other two verticals. These functionaries report to Dy. COE and COE. PVC of the University guides and oversees the Branch with COE at the helm of affairs. As of now, all the functionaries are very well experienced with an average tenure of over 6 years at this University.

ORGANIZATION STRUCTURE OF THE EXAMINATION BRANCH IS DEPICTED BELOW:
