INTRODUCTION

The vision flowered in the mists of time... The fragrance continues...

Dr. O.P Bhalla's name has gone down in history as a visionary and educationist. His name spells legendary leadership and a spirit of upliftment for the society. He shaped an education movement called Manav Rachna 'vidyantariksha', which is a name to reckon with on the education landscape of the country today.

With Manav International Institute of Research and Studies (MRIIRS), he took a step towards shaping better human beings. MRIIRS stays committed to train and equip students with latest knowledge and skills in the chosen fields. Through schools, colleges and institutions of higher education, MRIIRS delivers value- based education to enable students to face global challenges. He has left behind a rich legacy of excellence and hard work.

To salute the spirit of the legendary visionary, Manav International Institute of Research and Studies (MRIIRS), in association with the Dr. O.P Bhalla Foundation Trust concentrate on the development and upliftment of the underprivileged and marginalized section of the society. It aims to undertake developmental activities, research and training in various fields, such as education, sustainable development and environmental protection, gender equality, health and well being etc.

Through its sustained efforts, the MRIIRS has already initiated work to strengthen education systems, responding to global challenges through transformative education. Special onus has been placed on protecting and reviving our rich cultural and natural heritage. Specifically for the needs of the youth in India, the university is working for training and capacity building of people. This will help in attaining employment opportunities. For the betterment of our society, it is essential to protect our environment.
