## Report on

### YOGA WORKSHOP FOR HOLISTIC WELLNESS

Under the Manav Rachna Life Skill Program, Yoga Workshop for Holistic Wellness was planned and executed by Dr. Kalpana Varshney as she was the Faculty Coordinator for workshop which was held during 04.06.18 to 08.06.18. A session was organised on Holistic Wellness for the students with Dr. Shobha Srivastava, Deputy Registrar, FET.

A few minutes of Yoga during the day can be a great way to get rid of stress that accumulates daily-in both the body and mind. Yoga postures, Pranayama and meditation are effective techniques to release stress. Meditation is Relaxation which gives calm mind, good concentration and Rejuvenation of the body and mind etc. Particularly for a working woman, Yoga is a great remedy to remove her tensions which definitely affects her health because she has to nurture the home, fulfil a demanding career, take care of the family, handle household work; she has to play multi roles with her skills. Yoga help working woman by giving her emotional strength so that she can easily manage all pressures and can give her best intellectual abilities.

**Report  
on  
TWO DAY WORKSHOP FOR PROMOTING HEALTHY MIND, BODY AND SOUL:  
INTEGRATING MORAL VALUES**

We all are aware about the connection between the mind, body, and spirit. Many people have a hazy interpretation of what it means, but it simply pertains to an individual's mental, physical, and emotional/spiritual health.

Soul health means dismantling harmful lies about ourselves and replacing them with the truth. It also means taking time to rest and do things that nourish our mind and spirit -- like cultivating your gifts, reading a new book, hanging out with family, and meditating. The soul or atman, credited with the ability to enliven the body, was located by ancient anatomists and philosophers in the lungs or heart, in the pineal gland (Descartes), and generally in the brain.

Good mental health helps you enjoy life and cope with problems. It offers a feeling of well-being and inner strength. Just as you take care of your body by eating right and exercising, you can do things to protect your mental health. In fact, eating right and exercising can help maintain good mental health.

The brain and body are connected through neural pathways made up of neurotransmitters, hormones and chemicals. These pathways transmit signals between the body and the brain to control our everyday functions, from breathing, digestion and pain sensations to movement, thinking and feeling.

With reference to Strategic Perspective Plan for the year 2017-18, under Manav Rachna Life Skill Program, "Two Day Workshop on Healthy Mind, Body and Soul" was coordinated by Ms. Gurjeet Kau Chawla, Clan Chief, Water Sharks. This workshop was inaugurated by Celebrity Ziley Mawai Health and Fitness Trainer of Tiger Shroff and Salman Khan. Workshop was successfully conducted in association with Fanatic Fitness. A Studio run by World Fitness Model Mr. Lokesh Rajput – Student of Manav Rachna, was also organised for the staff of manav Rachna and Students. 40 actively participated in the workshop. Rio Drinks sponsored the event as Beverages partner.

**TWO WEEK SENSITIZATION PROGRAM ON ORAL HEALTH**

Manav Rachna International Institute of Research and Studies and Manav Rachna Dental College, Department of public health dentistry with Clan Water Sharks jointly conducted the initial phase of Oral Check up at Manav Rachna International Institute of Research and Studies and Manav Rachna International Institute of Research and Studies. The initiative provided an opportunity to the students and staff of institutes under the ambit of Manav Rachna to consult the dentists and discuss their oral health with them.

This week-long program commenced on 23-04-2018 and concluded on 02-05-2018. All the blocks of Manav Rachna campus were covered, with a day being provided to each block. A total of 402 staff and students benefited from this program. The effectiveness and need of this initiative was palpable by the fact that many students called their relatives for dental check up at the program.

The highlight of the program was that the diagnosis of the students was done on-site and the OPD cards were made by Clan Student Coordinators so that the time taken in initial registration and diagnosis at Manav Rachna Dental College could be saved. Counselling for students and their treatment needs was done on one to one basis. Specialized desk for orthodontic counselling was made available for the beneficiaries.

A team of faculty coordinators from each clan ensured the smooth conduct and organization of the program in their respective blocks. The faculty members participated in the program with commitment and zeal towards the cause. The response we got from the participants motivated us and hence we decided that in future a more comprehensive and a longer program that includes providing dental-health education and motivation for improving dental self-care in addition to check-up and counselling, will be organised.

## Report on ORATING SKILL WORKSHOP: SHABDOTASAVA - WORDS HAVE POWER

Working on public speaking also helps to develop students' overall fluency and requires them to consider how they speak as well as what they say. This is useful for speaking in any situation, public or otherwise. Therefore, with reference to Strategic Perspective Planning of Students Welfare under Manav Rachna Life Skill Program, "Orating Skill Workshop: Shabdotosava - Words have power", was organised. 32 students participated enthusiastically in the Poet it Loud and Spell Bound (spell bee) competition and excelled in their spelling skills and imagination and creativity beyond the arena of their expertise. As a result of practice, students often report an increase in general confidence as well as a marked sense of achievement. Many students get incredibly nervous the first time they have to do a speech in front of their classmates but with practice the nerves subside and they usually begin to enjoy the whole process. Showing students a variety of ways of making notes of ideas worked well as not everyone likes the same methods. These include mind-mapping, making lists or writing ideas on post-it notes and then arranging them on a piece of paper into groups. The importance of thinking carefully about the audience when planning their speech was also explained to all the students during workshop. Appropriacy of body language, speed of speaking, Structure of talk etc were also elaborated for students in the workshop. Major highlight of workshop was variety of techniques that can be used to help students develop the necessary skills for delivering public speeches. Practice in these areas will definitely help to increase students' overall confidence and fluency and provide an interesting and useful diversion from regular language work.

Agenda Item No 1:

The event is to celebrate the warmth of music in the life of an individual so that the participants and the audience can enjoy each and every performance. While showcasing their talent and art in the direction of music they should be practicing it and enjoy. As most of the students have passion toward music in the field of Classical, Western and many more music forms so it should be promoted.

Students are the core of all the activities hence the maximum participation from them should be ensured at Clans level, departmental level and whole university level. For this should be given the opportunity to get registered and participate, hence it will be communicated through the proper notices and other communications.

All interested students can register themselves for the event with their respective Clans as per their interest and enthusiasm to actively contribute in the direction of the decided cause. Members present had shown concern and shared their ideas to make these planned events successful. Clan Chiefs and Vice Chiefs thanked all the members for their valuable suggestions and inputs.

## Report on TRAINING PROGRAM ON MUSIC

Under the Manav Rachna Life Skill Program, Training Program on Music from 12.03.2018 to 27.04.2018 was organized. Mr. Narender Suhag, Faculty Coordinator for the event from Faculty of Management Studies, Hotel Management with his team of organizing team including students from different clans and members from DEARC Entertainment initiated this event by discussing the importance of music in the life of human being and how does it help in creativity desired to cope with the dynamic world. Students were communicated to upload their posters for auditions of Music under Manav Rachna Life Skill Programme. Manav Rachna Educational Institutions under its LIFE SKILLS PROGRAMME organized Auditions for Music from 07.02.18 at Manav Rachna Campus.

The details for the Auditions were as follows:

Date	Auditions For	Venue	Time
07.02.2018	Music	I – Block Auditorium	10:00 a.m. – 3:00 p.m.

Manav Rachna International University students with faculty participated in different activities in this direction and initiated a two months training workshop on Music. Under Manav Rachna Life Skill Programme various classes for Music started from 12th March 2018. After completion of 8 classes, Department of Students Welfare welcomed celebrity mentor Mr. Jayant Sankla for Music on 27 April 2018 at A – Block Auditorium.

Mr. Jayant Sankla is a professional vocalist who is based out of Mumbai and has received his training in Indian classical music from Rampur Sahaswaan Gharana. He has performed with Kamal Khan, Mustafa Zahid, Shafqat Amanat Ali Khan, Gurdas Maan, Narendar Chanchal and others. He has sung for advertisements for Sprite with Salim-Sulaiman. He has produced and arranged music for FICCI's new ad which features Shatrughana Sinha and has sung songs for Jai Prakash Narayan Museum, Lucknow. He is an Indian music director, playback singer and lyricist, who works in the Hindi film industry and made his debut with the 2017 action-drama movie called Narayan with a beautifully composed song called Shukriya Papa, released by Zee Music Company.

Mr. Jayant Sankla at Manav Rachna interacted with the music group which is getting trained under the supervision of Mr. Vicky. Mr. Jayant suggested that as a group all the members are performing their best but, there is always a scope of improvement. Also, he taught the basic notes and technicalities about the music.

A glimpse of the same is put forward with the training inputs from the experts.

## TRAINING PROGRAM ON DANCE

Under Manav Rachna Life Skill Program, A Two month training program on dance was organised by the Department of Students' Welfare, Manav Rachna Educational Institutions in collaboration with DEARC Entertainment from 06.02.18 to 31.03.18. Cultural auditions were conducted for training the students with the techniques and to provide them with some extracurricular activities which they enjoy.

The auditions for the same were conducted by the dance society in order to find the eligible candidates. This was to encourage the students to come out of their academic shell and explore the cultural aspects of them. Celebrity mentor in Dance was Ms. Sukhmani Lamba. She made her debut in Bollywood as the sister of Alia Bhatt in the film 'Badrinath ki Dulhania'. In love with being on stage from a very young age, Sukhmani has been an actor and a dancer for over a decade now. She is trained in jazz, contemporary, Bollywood and ballroom dancing. After learning at 'The Danceworx performing arts academy' from the age of 12, eventually teaching Jazz and being part of the repertory company from 2009 - 2011. She was learning belly dance under Meher Malik at the Banjara School of belly dance. Trained in acting under the guidance of Dilip Shankar, she acted in more than 20 stage plays. Since 2011 she has been working at the Kingdom of dreams, playing the lead in both of the biggest Bollywood musicals of India - Zangoora and Jhumroo. She is also known for her performances in plays like Suraj Ka Saatwan Ghoda and Gang of Girls.

During her visit she first interacted with the students and discussed the importance of extracurricular activities. She emphasized how important it is to enjoy while performing and learning for better results. Her agenda was to interact with the students and also teach them about how important expression is in a dancers' life. She talked about the connection conveyed through emotions. The students were elated to be in her presence and learned a lot.

A handwritten signature in blue ink, appearing to be 'Sukhmani Lamba', written in a cursive style.

8. Ms. Shruti Kambhoj, Clan Student Coordinator, Wild Cats

Members present had discussed and the following activities were proposed by the coordinators, clan members and the Clan Council Members to be done in the academic year. Based on the discussion the following observations and recommendations were agreed to: Students are the core of all the activities hence the maximum participation from them should be ensured at Clans level, departmental level and whole university level. For this should be given the opportunity to get registered and participate, hence it will be communicated through the proper notices and other communications. All interested students can register themselves for the event with their respective Clans as per their interest and enthusiasm to actively contribute in the direction of the decided cause.

Agenda Item No 1:

This will be a platform to introduce the new techniques and improvised methods by which the body postures of participants can be enhanced. This will help them in behaving and acting like a model so they will need to understand how to carry in their walk. Coordination and togetherness can be enhanced when our students would be participating in regional and national level events and also as an important role in life. Trainers in this direction can be asked to take the session and requested them to visit the campus regularly to guide and motivate our students in this direction.

Members present had shown concern and shared their ideas to make these planned events successful. Clan Chiefs and Vice Chiefs thanked all the members for their valuable suggestions and inputs.

### TRAINING PROGRAM ON FASHION

Under the Manav Rachna Life Skill Program, Training Program on Fashion from 06.02.2018-27.04.2018 was organized. Mr. Gaurav Sood, Faculty Coordinator for the event from Faculty of Management Studies with his team of organizing team including students from different clans and members from DEARC Entertainment initiated this event by making the students aware of the importance of these events in the life of an individual. Students were communicated to upload the posters for auditions of Dance, Music, Fashion and Drama Societies of Manav Rachna under Manav Rachna Life Skill Programme. Manav Rachna Educational Institutions under its Life Skills Programme organized Auditions for Fashion, Theatre, Music and Dance Societies of Manav Rachna from 06.02.18 - 08.02.18 at Manav Rachna Campus.

The details for the Auditions were as follows:

Date	Auditions	Venue	Time
06.02.2018	Fashion	T – Block Seminar Hall	10:00 a.m. – 3:00 p.m.

This Talent Auditorium was held in collaboration with an Event management Company, M/S DEARC Entertainment and leading artists as judges for these events in different Categories.

Manav Rachna International University students with faculty participated in different activities in this direction and initiated with two months training workshop on fashion. Manav Rachna Educational Institutions in collaboration with DEARC Entertainment organized Dance Auditions at T – Block Auditorium on February 7, 2018 with the student dancers of Manav Rachna. Ms. Sukhmani Lamba a famous film actress, Mr. Kishore Bhushan Kumar, Mr. Abhishek along with his team members SWAY for DANCE were present to judge the event. Mr. Rhythm Dutta from DEARC Entertainment, was also present for the whole event along with his team members. Present on the occasion were Dr. I. K. Kilam, Dean Students Welfare, Ms. Gurjeet Kaur Chawla, Associate Dean Students Welfare Dr. Sangeeta Banga, Dr. Shruti Vashisht, Ms. Charu, a few faculty members along with more than 40 active participants from Manav Rachna Family. The event began with the warm welcome of the esteemed judges, Mr. Rhythm Dutta, Founder DEARC Entertainment and Mr. Prashant. Few faculty/ staff members also joined to show to appreciate the great efforts of the students. Parth Sharma, student of BAJMC 1st year hosted the show and made the audience and participants enjoy each and every performance. One by one all the participants came up on stage and showcased different dance forms. Most of the students showcased their dance piece in the field Lyrical and Hip – Hop. Judges also got the best performances in the field of Bollywood and freestyle. There were two rounds for all the participants in which everyone had to perform a small piece of dance for 60 seconds in which they gave their best. After completion of all the performances, all the participants were taken together and suitably briefed by the choreographer, Mr. Kishore Bhushan Kumar after which 30 students were selected in the finals. These students were taught two different choreos which included different dance forms. The list of the final selected students was shared with the CLAN Members.

## Report on TRAINING PROGRAM ON THEATRE

Under Manav Rachna Life Skill Program, a Training Program on Theatre was organized from 06.02.18 – 30.03.18 at Manav Rachna Campus in association with DEARC Entertainment Private Limited. Department of students welfare, Manav Rachna in collaboration with DEARC Entertainment organized Drama Auditions under Manav Rachna Life Skill Programme; on January 6, 2018. 30 student artists turned up to T- Block Auditorium at Manav Rachna Campus to showcase their talent in the field on Dramatics. Mr. Raj Sharma, Theatre Artist who has been performing in more than 25 bollywood movies, Ms. Rana Sidiqqi – Film Critic & Author and Mr. Vineet Mathew, Vice President M/S Aspire Assess Skills were present as the jury members to guide and judge the performances of the student participants. Mr. Rhythm Datta, founder DEARC Entertainments along with his team member Mr. Siddharth also witnessed the show. Event commenced with the welcome of all the guests, judges and students by Ms. Gurjeet Kaur Chawla, Associate Dean Students Welfare. She introduced the new concept of training being planned for the students of Manav Rachna in the field of Arts in collaboration with DEARC Entertainment. Dr. I.K. Kilam, Dean Students Welfare on behalf of Manav Rachna family invited Mr. Rhythm Datta and his fellow mates and boosted up the morale of all the students for their performances. Present on the occasion were CLAN Chiefs and Vice Chiefs from Water Sharks, Air Falcons, Wild Cats and Forest Rhinos. Ms. Sangeeta Banga, Ms. Sonia Duggal, Mr. Amit Seth, Ms. Charu Pujara, Dr. Shruti Vashisht 20 active students took the initiative to participate on the stage and present themselves in front of the Jury members. Rishabh Daundriyal, student of 2nd B.Tech CS hosted the event and called upon each of the participants on the stage. The rules were announced in which every performer had to introduce him along with 3 minutes for showcasing their talent in which they also got a chance to perform.

The experts trained the registered students and they taught the students how to be comfortable speaking in front of large audiences, and some theatre classes give them additional experience talking to groups. Furthermore, their work as a team has taught clear, precise, and well-organized oral communication. Auditions were taken place to short list the participants keeping in view the importance of co-curricular activities and Theatre in the life of an individual and with this endeavor we can make develop different skills to express them. Twenty Students were shortlisted by participating in different activities in this direction and

MINUTES OF MEETING

Ref. No.:MRIIRS/CLAN/LS/17-18/29

Dated: 12.01.18

With reference to Ref. No.:MRIIRS/CLAN/LS/17-18/28, a meeting was held under the Chairmanship of Clan Chief Water Sharks- on 11.01.18 at 12:30 PM in Students Welfare Office.

The following members attended the meeting:

1. Ms. Kalpana Varshney, Faculty Coordinator, Faculty of Engineering and Technology
2. Ms. Mridula Batra, Faculty Coordinator, Faculty of Computer Application
3. Mr. Sankalp Gautam, Student Clan Coordinator, Forest Rhinos
4. Mr. Shivam Sharma, Student Clan Coordinator, Water Sharks

Detailed discussion and deliberation was held and the following activities were proposed by the coordinators and clan council members with their observations and recommendations all had agreed to conduct this activity and make it successful.

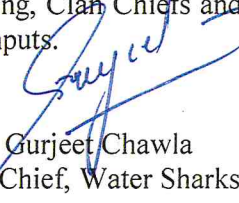

Agenda Item No.1: Awareness Session

The workshop will be conducted in order to create the awareness amongst the participants regarding the program to safeguard our society from the hazards of waste by reducing its creation and at the same time treating the waste not as waste but as an asset to be utilized with utmost care and for the benefit of whole society.

Agenda Item No.2: E-waste Management Workshop

The students will be shared information regarding handling the E-waste and to ask them to collect the E-waste and dismantle or process it so that it does not affect the ecosystem. With the technological changes and growth in economy, we can see that the Electronics and Technology based equipments sale and usage is increasing day by day. With this we need to handle the scrap and waste that someone can find because of the non usage of the product and its services. But this can be dangerous to the environment and society if not handled properly. This E-waste management Program will make them think and act to proceed positively in the direction of collecting it, handling it and later utilize it in the best possible way and search for alternatives to handle it properly.

All faculty and clan representatives discussed E-waste management related issues in the present context and how we can contribute to it. At the end of the meeting, Clan Chiefs and Vice Chiefs thanked all the members for their valuable suggestions and inputs.

### GENDER-NEUTRAL EDUCATION- MENTORING AND TUTORING OF GIRLS' STUDENTS

Gender-Neutral Education, mentoring of girls students at Mohana Govt Girls Sr. Sec. School, Mohana Village was organised on 20.11.17 with complete cooperation of school authorities. Students were very enthusiastic to learn and listen to our team. They also shared a few personal issues with our team members. Principal Mrs. Divya Mohan appreciated the event. 39 students participated in the event and shared their views with school students. Dr. Priti Gupta, Dr. Roopa Rani and Ms. Charu Pujara, Clan Vice Chief, Forest Rhinos, coordinated different activities along with 39 students. The objective of the activity was to make the students understand the fact that equality is the essence of democracy. Through the activities, the students touched upon many issues related to the subject. The students became comfortable with the volunteers during the activities which was the main milestone to cover before any discussion.

Few activities were planned for the school children and they participated with full enthusiasm with campus students. They also discussed their problems and solutions were also discussed with them. During the interaction it was informed that Gender equality is achieved when women, men, girls and boys have equal rights, conditions and opportunities, and the power to shape their own lives and contribute to the development of society. It is a matter of equitable distribution of power, influence and resources in society.

### Aadhar Card and Voter ID Awareness and Registration Program: Constitutional Responsibility

Under the Manav Rachna Life Skill Program, Aadhar Card and Voter ID Awareness and Registration Program: Constitutional Responsibility was organized on 10.10.2017. Students from various faculties like, FMS, FET, FCBS, FCA, FAS along with three faculty members as the event coordinators had conducted the event successfully.

First event of the day was Awareness and Talk Series it was very well conducted by Mr. Arvind Dalal Faculty Coordinator for it. This event was organized for all the faculty members, students and stakeholder for getting Aadhar Card organized in Manav Rachna International University premises to facilitate all the MRIEans.

Second event for the day was Important Discussion on Aadhar card it was coordinated by our Faculty Mr. Prateek Mittal from Faculty of Engineering and Technology

We can state that this camp was successful as for the Aadhar Card camp around 300 queries along with submission of forms was done. During the camp, Students were motivated by Mr. Santosh Maurya who can for Aadhar Card had also emphasized on getting students registered for the government initiatives by online filling the applications like for Voter ID.

Third event for the day was Camp to help the students get themselves ready with Aadhar Card it was coordinated by our Faculty from Faculty of Engineering and Technology Ms. Seema. The students got themselves registered for the Aadhar Card and get benefitted with the in house facility available on campus. They were so happy that they tried to convince their friends to get it done right on campus and motivated them to get the facilities of government through such registrations.

We are thankful to Dr. Shobha Shrivastava, Deputy Registrar and Mr. Santosh Mourya for their contribution in Aadhar Camp which they had enriched through their valuable suggestions and inputs in smooth conduct of this camp. We also thank to all of you for showing your interest in both the initiatives.

With reference to Ref. No.:MRIU/CLAN/LS/2017-18/53, a meeting was held under the Chairmanship of Ms. Charu Pujara, Clan Vice Chief Forest Rhinos on 11.08.17 at 2:00 PM in the Office of Students Welfare.

The following members attended the meeting:

1. Dr. Vimlesh, Faculty Coordinator, Faculty Engineering and Technology
2. Mr. Kapil Gupta, Faculty Coordinator, Faculty of Engineering and Technology
3. Ms. Prema Kakkar, Faculty Coordinator, Faculty of Engineering and Technology
4. Mr. Arun Vashisht, Faculty Coordinator, Faculty of Commerce and Business Studies
5. Ms. Priyanka Verma, Faculty Coordinator, Faculty of Commerce and Business Studies
6. Dr. Farhat Mohsin, Faculty Coordinator, Faculty of Management Studies

Students should be provided the chance to register and engage in order to be active participants. All interested students should register with their respective Clans for the event.

Agenda Item No.1: Cloth, Toys, Stationery, and Blanket Donation

The donation program will be planned and executed to help the less privileged people of the rural areas and to incorporate some level of leadership skill in the participating students.

Agenda Item No.2: Sharing Happiness: Old Age Home visits to promote sensitivity towards the old age people and taking a good care of them as good human being.

The idea behind this visit is to spend some quality time with the people of the old age home so that they feel a little less lonely and get to have some fun, also old age homes have very limited resources so by donating things in various old age homes their living conditions will get improved a little. Though this step may be minuscule one but in the direction of serving the society with our available resources and contribute our efforts in this noble direction.

## TWO WEEKS LEADERSHIP TRAINING PROGRAM ON EDUCATIONAL ACTIVITIES IN RURAL AREAS

Under Manav Rachna Life Skill Program, faculty coordinator and her team of students from different clans and faculty members had initiated this collection program during 04.10.17-16.10.17. They had collected different Cloth, Toys, Stationery, and Blanket as contribution from different stakeholders on campus and off campus. In this initiative a mega distribution program of collected books and other stationary material was conducted at Government Senior Secondary School, Nariyala to make the students get benefitted with it. With this the needy students were promoted to get benefit from this contribution of stationary and books material which they can use as per their need and choices

During the same period i.e., 04.10.17-16.10.17 the second activity conducted was Sharing Happiness: Old Age Home visits. Here the faculty coordinator was Mr. Arun and his team had beautifully conducted this event where they were able to perform as was planned.

A roof over their heads is a critical need of the elders who are destitute, sick and abandoned by family. Sukrit Vridhawas at Dabua Colony, Faridabad aims to serve the needs of the elders in a holistic manner by enabling them to live active, dignified, and healthier lives. It tries to provide elderly relief through various age care interventions such as organizing health care and awareness camps.

Students and faculty coordinators treated their elderly friends with sumptuous snacks, all in the spirit of Christmas. They all were so touched and happy to see someone visit them as they rarely found a reason to smile in the last couple of months. Many of them commented that "I have lost my children, but you all are my kids too, we are all lonely, but you children have given us something to smile about".

Most of the time communication had started on a light note with little chit chat and experience sharing but it ended with a lot of moist eyes as the inmates bared their hearts and relived the happy times of their lives. The plight of the inmates touched the students too. Students were of the opinion that they hope to conduct such visits in future as well so that they get better aligned with this part of the society.

**WORKSHOP ON ANGER MANAGEMENT**

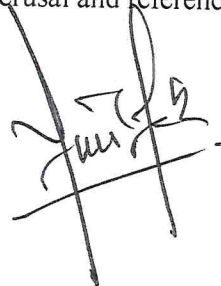

Under the Manav Rachna Life Skill Program, Workshop on Anger Management was planned and organized during 26.09.17 -27.09.17. Students from various faculties like, FMS, FET, FCBS, FCA, FAS along with three faculty members as the event coordinators had efficiently and effectively completed the event. Approximately hundred students and faculty members had participated in these events.

The registered students for the activity were given few sessions by the faculty coordinators and members before organizing the event regarding the importance of coping with Anger and its ills created by it in the life of a human being and society. This will help in communicating the message and information regarding this event which will be further deliberated to all the participants in the events. Trained students had planned activities and conducted with full zeal and enthusiasm. In this direction the event started on 26<sup>th</sup> September 2017, student members of Clans, comprising of various streams such that of Physiotherapy, Business Studies and Commerce done the survey, got the members registered for car pool and sensitize them by telling about the importance of car pool amongst their family members and colleagues.

An awareness program towards anger management was organised by Ms. Savita from Faculty of Engineering and Technology held on 26.09.17. With this event the students were made aware about how dangerous anger can be and how harmful it is to one's lifestyle. So at first instance they should try to avoid such places and gathering which may instigate their anger, and even if they feel angry about something they should take utmost care to safeguard their inner soul and don't let it hurt.

On 27.09.17, a workshop on Anger Management was organized to cope up with anger effectively without getting their inner soul getting hurt by its ill effects for this event. Dr. Bhavesh Prakash Joshi was the Faculty Coordinator. This workshop was intended to help everyone cope up with stress and anger related issues by following some tips, tricks and practices. Dr. Shobha Shrivastava, Deputy Registrar, Manav Rachna International University and Mr. Santosh Mourya Faculty of Engineering and Technology were kind enough to provide their valuable contribution in smooth conduct of this workshop.

MEETING NOTICE

Ref. No.:MRIU/CLAN/LS/17-18/43

Dated: 11.08.17

With reference to Strategic Perspective Plan for the year 2017-18, under Manav Rachna Life Skill Program a meeting has been planned on 18.08.17 at 2:00 p.m. in the office of Students Welfare.

All are requested to make it convenient to attend the same.

1. Mr. Prashant Dixit, Faculty Coordinator
2. Dr. Farhat Mohsin, Faculty Coordinator
3. Ms. Poonam Chaudhry, Faculty Coordinator

Agenda Item No 1: Awareness Session about Blood Donation and its importance in human life.

Agenda Item No 2: Flash Mob and Nukkad Natak to promote the importance of Blood Donation to save life and helping others.

All of these activities help in inculcating within the youngsters the importance of sharing for such a noble cause so that someone needy can get benefitted out of it, even at times when they don't know him or her. With this they will help their brothers and sisters to come out in flying colours when they will be sharing with joy the goodness of sharing things like blood in the name of humanity.

Agenda Item No.1: Awareness about Blood Donation and its importance in the human life

Members present had shared their ideas and concerns regarding the same and had emphasized more on its getting published to the different stakeholders so that they can overcome the fear associated with the blood donation

Agenda Item No. 2: Flash Mob and Nukkad Natak to promote the importance of Blood Donation to save life and helping others

Saving a human life in itself is a noble cause and as human beings we should not only safeguard it but also take initiatives to support it by the best possible option that we have. In this direction blood donation is not only a charitable cause but also a cause of concern because we need it in huge number but there is a deficit due to its availability. So with the presence of audience during the Flash Mob and Nukkad Natak we can emphasize more on the cause and concerns to sensitize the audience to take proper steps in this direction.

All faculty and clan representatives discussed the Blood donation program planning in detail and related issues. At the end of the meeting, Clan Chiefs and Vice Chiefs thanked all the members for their valuable suggestions and inputs.

### BLOOD DONATION AWARENESS PROGRAM

Ref. No.:MRIU/CLAN/LS/17-18/45

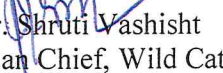

Dated: 22.08.17

There is a taboo associated with the blood donation that it brings weakness in the human body and it takes time to build human blood by a body. To eradicate this taboo the awareness regarding blood being the rarest thing which only a human body can create and its life cycle needs to be told to the stakeholders on campus either they are the students, their family members or even the faculty members.

Manav Rachna Life Skill Program paves way forward for the budding youngster to ensure inculcating the spirit of humanity. It has been suggested to conduct "Blood Donation Awareness Program" from 13.09.2017 to 15.09.2017. The purpose of the event is to **infuse and promote the spirit of helping others and be kind to everyone.** The participants and organizing students will learn the skills of **Effective Communication, Leadership and Management in spreading awareness and sensitizing the society towards this noble cause.** So in this direction it has been suggested to conduct events including awareness regarding the Blood Donation through speeches, class talks, Flash Mob and Nukkad Natak with a day program to conduct blood donation on campus.

Activities Planned	Faculty Coordinator	Venue/ Date
Awareness about Blood Donation and its importance in the human life	Mr. Prashant Dixit, Faculty of Engg. and Tech.	Within University at different locations 13.09.17
Flash Mob and Nukkad Natak to promote the importance of Blood Donation to save life and helping others	Dr. Farhat Mohsin, Faculty of Mgmt. Studies	Within University at front road of T-block 14.09.17

Interested students are requested to contact the coordinators of the event or call the undersigned at 09818244972. Please feel free to contact your respective clans for more information.

- Blood Donation Camp to collect the Blood Donated by the faculty members and students

The following members attended the meeting:

1. Dr. Shruti Vashisht, Clan Chief, Wild Cats
2. Mr. Prashant Dixit, Faculty Coordinator
3. Dr. Farhat Moshin, Faculty Coordinator
4. Ms. Poonam Chaudhary, Faculty Coordinator

They briefly discussed the preparation and participants details for the event. It was suggested that for the active and maximum participation the students should be given the opportunity to get registered themselves for the event with their respective Clans.

The registrations will be made for the events and the registered students for the activities will be given few sessions by the faculty coordinators and members before organizing the events regarding the importance of blood in the life of a human being and society.

This will help and ensure the smooth communication of the messages and information regarding these events which will be further deliberated to all the participants in the events.

Coordinators were of the opinion that they are going to get at least 400 students get inspired for the Blood Donation through these series of activities. For auditorium the preparation is on and students and coordinator had been visiting it. They are practicing for the events with the help of faculty coordinators who are guiding them regarding the themes and message delivery. For the blood collection they are working with Rotary Club to come and conduct the blood donation process on campus.

## Report on BLOOD DONATION AWARENESS PROGRAM

Under the Manav Rachna Life Skill Program, Three Days Blood Donation Awareness Program was held during 13.09.17 to 15.09.2017 was organized. Students from various faculties like, FMS, FET, FCBS, FCA, FAS along with three faculty members as the event coordinators actively participated in the various activities of event.

The registered students for the event were given few sessions by the faculty coordinators and members before organizing the event regarding the importance of blood in the life of a human being and society. This will help in communicating the message and information regarding this event which will be further deliberated to all the participants in the events. Trained students had planned activities and conducted with full zeal and enthusiasm. In this direction the first activity was held on 13.09.17, student members of Clans, comprising of various streams such that of Physiotherapy, Business Studies and Commerce did flash mob dance followed by Nukkad Natak.

The second activity Flash Mob and Nukkad Natak to promote the importance of Blood Donation, was organized during 14.09.17 and 15.09.17. The purpose of organizing such Flash Mob and Nukkad Natak was to create awareness for Blood Donation. The event was organized on the front road of T block during lunch break. About 30 students were part of the dance and Nukkad Natak, it was watched by hundreds of the students, teaching and non-teaching staff on campus. Such events not only helped students to demonstrate their creative ability; but promoted the noble cause. The efforts made by all students were fruitful in meeting the purpose of the event.

## Report on PROGRAM ON PATRIOTISM-TRIBUTE TO SOLDIERS

With reference to Strategic Perspective Plan for the year 2017-18, under Manav Rachna Life Skill Program "Program on Patriotism – A Tribute to Soldiers" was organised from 13.08.17 to 19.08.17, with the view to share emotions and devotions of our soldiers towards our country and for paying a heartfelt tribute to them. In this event total 100 students took part out of which 30 students registered themselves for different activities planned.

The flash mob was organized by the students to raise awareness about the event and invite more participants to pay tribute to the bravehearts of the Country. The crowd was completely enfolded with enthusiasm and vibes of patriotic energy.

In order to show the gratitude and to pass the message of the soldiers of the country who sacrifice their lives serving the nation to the masses, Nukkad Natak was organised in front of the T block. The venue was reverberating with the spirit of patriotism and sense of national pride. It was the best show, a tribute to the Indian Army by the students of theatre society who performed and left the audience with tears.

The students were also asked to write awareness slogans and to give new ideas. Afterwards a Group Discussion was conducted with a motive to provide a platform to the students to voice their opinions and views and also to pay tribute to the soldiers.

With a view to unleash the creativity of the students and let them pay tribute to the soldiers in a creative manner a poster making competition was organized.

With a spirit to inspire the students with the stories of the great soldiers of our Nation a marathon was organised.

## MINTUTES OF MEETING

Ref.No.: MRIU/CLAN/LS/17-18/34

Dated: 30.06.17

With reference to the notice Ref: MRIU/CLAN/LS/17-18/33, a meeting was held under the Chairmanship of Dr. Sonia Duggal, Clan Vice Chief, Air Falcons on 30.06.17 at 12:00 noon at Office, Dean Students Welfare.

The following members attended the meeting:

1. Prof. Shagufta Jabin, Faculty Coordinator, Faculty of Engineering and Technology
2. Prof. Ankita Bharti, Faculty Coordinator, Faculty of Media Studies and Humanities
3. Prof. Nidhi Tandon, Faculty of Commerce and Business Studies

5. Ms. Aditi Jain, Clan Student Coordinator, Forest Rhinos
6. Mr. Sankalp Gautam, Clan Student Coordinator, Forest Rhinos
7. Ms. Shruti Kambhoj, Clan Student Coordinator, Wild Cats

Agenda Item No 1: Car Pool Registration and Pledge Ceremony:

Carpool registration and Pledge for pollution control will be made through creating a google form to get maximum participation and sharing this information with the other stakeholders so that this event get some impact on ground which will help in sensitizing the other members in this direction to actively participate.

Agenda Item No 2: Air Pollution Awareness Program:

Car pooling and staying cool would be an initiative towards the direction of reducing the air pollution by sharing the cars for commuting in the same direction. Direction could be office (primarily) and travelling, so that this reduces the burden and carbon footprints. For this the students will be briefed and sensitized to take steps in this direction and communicate the same with the other members to be followed by all. These steps may be small but its impact will be long lasting. The activities will be towards making the students and faculty members to see the impact of the air pollution on their lives and their future if it continues. Air pollution is becoming a problem due to development and expansion of cities, with these expansion population increases in cities. To facilitate commuting from one place to other people should be sensitize towards the importance of fossil fuels and impact that they bring to the Mother Nature and humanity as a whole. This pollution leads to different diseases and infections, so it needs to be curbed at the earliest possible. In this direction sensitizing people toward the anti-pollution program and awareness to make everyone feel the urgency of it is the need of the hour.

Members in attendance discussed the following activities, which were recommended by the organizers, clan members, and Clan Council Members to be completed throughout the academic year. Students are the core of all the activities hence the maximum participation from them should be ensured at Clans level, departmental level and whole university level. For this should be given the opportunity to get registered and participate, hence it will be communicated through the proper notices and other communications. All interested students

## MINUTES OF MEETING

Ref. No.: MRIU/CLAN/LS/17-18/37

Dated: 07.07.17

A meeting was held under the Chairmanship Ms. Sonial Duggal Clan Vice Chief, Air Falcons on 07.07.17 at 12:30 noon in the office of Students Welfare.

Foundation program on Air pollution Management is scheduled during 26-30 July, 2017 regarding the said activity the following members attended the meeting:

1. Ms. Sonial Duggal Clan Vice Chief, Air Falcons
2. Prof. Shagufta Jabin, Faculty Coordinator
3. Prof. Ankita Bharti, Faculty Coordinator
4. Prof. Nidhi Tandon, Faculty Coordinator

Faculty coordinator Prof. Shagufta, briefly discussed the preparation and participants details for the event after the discussion with the team which she had created with the help of different clan participants. For promoting car pool and stay cool they wish to promote car pool and having lesser vehicles on road for commuting to the same places by convincing the people on campus to do so, as they believe charity begins at home. On the same day they will be interacting with the members on the Manav Rachna campus.

Prof Ankita briefed about her plan of action for promoting initiatives to stop Air pollution so her team wishes to conduct a program and awareness program to sensitize participants to understand the reasons to protect themselves and others.

As a culmination of all the activities the team being headed by Prof. Nidhi will be having a car pool registration and Pledge for pollution control to bring the results on ground after the activities. Arrangements regarding the canopy, equipment and venue for the same had been identified and coordinators are promoting it even after it for maximum participants. They have requested other clan members to be a part of it and communicate amongst their online and offline sources.

**FIVE DAY FOUNDATION PROGRAM ON AIR POLLUTION**  
**MANAGEMENT**

Under Manav Rachna Life Skill Program to put forward for ensuring amongst the budding youngster to ensure inculcating the spirit of humanity Five Days Foundation program on Air Pollution Management was held from 26.07.17 to 30.07.17. Under this event two activities were conducted while keeping Air Pollution as pivot around which all the activities were surrounded.

Ms. Shagufta, Faculty of Engineering and Technology had been the Faculty Coordinator for the said event where she had sensitized students towards promoting the concept to the other fellow colleagues and everyone whom they can discuss with, the importance of car pooling. And making it a new concept of being cool, this will help in reducing the temperature rising due to burning of fossil fuels.

Participants had sensitized others through banners and posters, talks within small groups at the university campus. Prof. Ankita Bharti, Faculty of Media Studies and Humanities was the Faculty Coordinator for the activity.

Air pollution program and awareness in the same line the activities will be towards making the students and faculty members to see the impact of the air pollution on their lives and their future if it continues. To shape this initiative we have first started with Manav Rachna family and a complete awareness programme for students is planned. The students will register themselves for car pooling and will pledge either to pool or use public transport and give their best efforts to save air from pollution. Shared rides between people will not only help for clean environment; but also reduce travelling cost as it is shared by fellow members. We appeal to all those who would like to contribute to this social cause by spreading the cause among your friends, family and neighbours.

Prof. Nidhi Tandon, from Faculty of Commerce and Business Studies was the Faculty Coordinator for this activity. Car pool registration and Pledge for pollution control will be made through creating a form to get maximum participation and sharing this information with the other stakeholders so that this event get some impact on ground which will help in sensitizing the other members in this direction to actively participate.

Within this initiative the participant had taken initiative and pledge in the direction of reducing the air pollution by sharing the cars for commuting in the same direction. Participants were shared with the link to provide the details of their commuting for daily purpose and for travelling. Faculty members and students had shared the starting point and the ending point to and fro to the campus. Primarily it was coming to office and going back to home. Participants had understood the importance to reduce the burden and carbon foot prints with this small but firm step towards this initiative.

Few pictures of the events are put forward for your kind perusal and references please.

## MINUTES OF MEETING

Ref. No.:MRIU/CLAN/LS/17-18/21

Dated: 17.06.17

With reference to Ref. No.:MRIU/CLAN/LS/17-18/20 dated 09.06.17, a meeting was held under the Chairmanship of Dr. Charu Pujara, Clan Vice Chief, Forest Rhinos on 16.06.17 at 2:00 PM in Students Welfare Office for Forest and Nature Conservation Program: Environmental Responsibility.

The following members attended the meeting:

1. Ms. Satrupa Chakraborty, Faculty Coordinator, Faculty of Behavioural and Social Sciences
2. Dr. Farhat Mohsin, Faculty Coordinator, Faculty of Management Studies
3. Dr. Kalpana Varshney, Faculty Coordinator, Faculty of Engineering and Technology
4. Dr. Bhavesh Prakash Joshi, Faculty Coordinator, Faculty of Management Studies
5. Ms. Anjali Bainsla, Clan Student Coordinator, Air Falcon
6. Ms. Aditi Jain, Clan Student Coordinator, Forest Rhinos
7. Mr. Sankalp Gautam, Clan Student Coordinator, Forest Rhinos
8. Ms. Shruti Kambhoj, Clan Student Coordinator, Wild Cats

Students are the core of all the activities hence the maximum participation from them should be ensured at Clans level, departmental level and whole university level. For this should be given the opportunity to get registered and participate, hence it will be communicated through the proper notices and other communications. All interested students can register themselves for the event with their respective Clans as per their interest and enthusiasm to actively contribute in the direction of the decided cause.

Agenda Item No 1: **Mega Plantation Program**

With this initiative not only the students and faculty on campus but also their family members will be sensitized towards the importance of trees and forests in our life. So the plantation Program will help in attaching them with the saplings that they reap today and see it growing with the passage of time in future.

Agenda Item No 2: **Butterfly Count**

For this activity, we will be working with Conservation EduCatsion Centre (CEC), BNHS, New Delhi, to celebrate September as Butterfly month under the theme "Butterfly". We would be requesting the volunteers from Asola Bhatti Sanctuary to visit the campus and Clan Members to have the Butterfly count in MR Campus.

Agenda Item No 3: **Waste Management Workshop**

Through this workshop we wish to make our participants take things from Garbage to Garden and make them aware of the massive health hazard and economic challenges related to garbage and waste.

Charu

Agenda Item No 4: Poster Making on Water Conservation

For this activity, we would be taking initiatives at the Village level where we would be organizing poster competitions for the kids at school on the theme of water conservation.

Members present had shown concern and shared their ideas to make these planned events successful. Clan Chiefs and Vice Chiefs thanked all the members for their valuable suggestions and inputs.

Under Manav Rachna Life Skill Program, Event for Forest and Nature Conservation was held from 01.07.17 to 20.11.17 keeping in view the importance of mother nature conservation for safeguarding it for present and handing it to next generation in future with utmost care. Students from various faculties like FET, FCBS, FBSS, FMS, FCA, FAS along with the faculty coordinators and council members of different clans had organized these activities. They sensitized the students, faculty members and other stakeholders on campus to contribute their bit in promoting forest and nature conservation.

Before the event being conducted the students were given few sensitizing sessions by the faculty members and coordinators to plan accordingly to make it more effective. These brainstorming sessions amongst the students and faculty members had been the pivot to plan the activities in the best possible way with the resources available.

With the help of suggestions and planning towards reaching to all the stakeholders, all the participants and organizing students felt happy to share towards the noble cause of safeguarding Mother Nature with the dedication of faculty members and coordination by the students the events were organized well and received very well by the students. They had shared their experiences that they gain confidence in organizing events where they had learnt the team management and leadership skills to work with diverse group mates and from different backgrounds to achieve the same goal of conserving forest and nature.

The first activity conducted was the **Mega Plantation Program** Prof. (Ms.) Satrupa Chakraborty, from Faculty of Behavioral and Social Sciences acted as the Faculty Coordinator and help students in getting this activity organized well on 30.07.17.

This mission of **reforestation and conservation** will definitely help in building a green and pollution free society and socially responsible citizens for the world. Manav Rachna International University students with faculty members, participated in different activities in this direction and initiated by planting trees and pledge to care for them to grow.

In the same league the next event was the **Butterfly Count**, Dr. Farhat, Faculty of Management Studies was the Faculty Coordinator for the event and the event was held on 09.09.17. This event was in association with Conservation EduCatsion Centre (CEC), BNHS, New Delhi, this activity was celebrated in September month as Butterfly month under the theme "Butterfly". Volunteers from Asola Bhati Sanctuary visited the campus on 9th September 2017 and students along with Team from Asola Bhati did the Butterfly count in MR Campus.

The Third activity that was conducted during this Program was **Waste Management Workshop**, in this workshop Dr. Kalpna Varshney, Faculty of Engineering and Technology, was the Faculty Coordinator for the activity held on 21.09.17

Ms. Monica Sharma from Human Kind Foundation and Mr. Rajesh Goyal from Garbage to Garden was the guest they **enlighten the audience about massive health hazards and economic challenges related to garbage.**

## Report on AWARENESS PROGRAM ON DRUG DE-ADDICTION AND HEALTH

A session was organized with Class IV employees of Manav Rachna family to sensitize them about hygiene and cleanliness. Staff was very interactive and raised their queries.

It was a very interactive session.

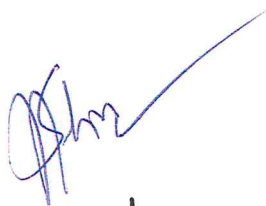

The educational and screening session was directed towards the members of support staff of Manav Rachna Educational Institutions. The aim of the program was to educate and sensitize the staff members about Tuberculosis.

Dr. K .K. Chopra, Director of the centre spoke at length about types and disease burden of TB. Symptoms, prevention and treatment of TB were also discussed during the session. A screening session was also organized for the participants who showed symptoms of the disease. The participants keenly listened to the information provided to them and clarified their doubts at the question – answer session organized at the end of the speech.

In collaboration with Manav Rachna Dental College under the aegis of Institutional Social Responsibility organized an Awareness Session on Personal Health and Hygiene of Women on March 27th, 2018. The objective of the session was to raise awareness about rarely discussed issues in health and hygiene. Menstrual Hygiene is a topic of 'Muteness' and conversation of the subject among women or even between mother and daughter is very limited. Menstruation is a very important natural body process among women which cannot be avoided. It is a distinct step into womanhood for adolescent girls. Therefore, it is imperative for every one of us to have awareness about it. The thought-provoking session drew attention towards the lack of awareness of menstrual hygiene and associated healthcare practices.

Ms Ranjeet Kaur Gujral, guest speaker of the session spoke extensively on sustainable hygiene and health solutions. She discussed the increased risk of infection during menstruation. She highlighted about how the 'Uterus Cancer' a small word finishing females lives rapidly in India. Most of the females are not aware about the facts and many are ignorant to their lives. She emphasized the use of eco-friendly and herbal sanitary napkins and to say "no" to plastic product. She explained the consequences of using plastic pad that is not safe on the personal and social level. There are various deadly diseases that may take place because of using plastic napkin. Ms Gujral apprised the students about the strong connection between hygiene and health, and stressed on the best practices to adopt using hygiene products like sanitary napkins that are not prepared by plastics.

Dr Ankur Sharma and Dr Chhavi Kulshreshtha from Clan Water Sharks coordinated the session. Dr Shivani Aggarwal, Head of the Department, Oral Pathology, MRDC proposed vote of thanks and felicitated the guest speaker.

## Report on ANNUAL AWARENESS PROGRAMS ON WATER CONSERVATION AND MANAGEMENT

As per the Strategic Perspective Plan for the year 2017-18, under Manav Rachna Life Skill Program an event “Annual Awareness Programs on Water Conservation and Management” was organised, keeping in view the importance of Water Conservation and Management in our day to day life. These awareness programs sensitized the university students towards the need of the hour. It’s a matter of pride for all of us at Manav Rachna family that for a noble cause here we strive ahead toward the conservation and management of Water for the generations to come.

The following pledge to conserve water was taken by faculty members and students of Manav Rachna on 01.09.17. More than 250 students took the Pledge and were made responsible to spread this awareness in their surroundings too. These pledges were held at different locations and amongst different group of students and faculty members.

*“I pledge to conserve water every day, Use it wisely, not waste it away. I will save every drop I can, every day of the week.”*

In continuation with this, to motivate the participants to suggest new initiative and brainstorm towards the theme of Water Conservation and Management, a Poster making competition was organized on the Theme “Drink and Donate Water”, in Manav Rachna Campus. 67 students participated and their creatives were displayed at different locations to motivate other members towards this noble cause of water conservations. Few participants won prizes too for best ideas. These students were also asked to put these posters at the water dispatching units (taps) within campus with a cause to not to waste water and preserve it for donating to the needy like birds and animals, while inculcating the habit of giving. In this way the students became more attentive and responsible towards the cause of the event.

Earth is the only known planet blessed with life because of the availability of water. The unique aspect of our planet is the presence of water. We cannot imagine life here without water; thus, water is the most precious element in the world and a sign of life. With the objective of spreading awareness on water conservation and to enhance the cognitive skills in the students towards the cause of the event, individual participants were asked to generate their creative ideas to save water today and conserve water for future. This Slogan Writing and Idea generation activity was organised with the registered 67 students. Their new ideas and thoughts through slogans were really appreciable.
