Education for SDGs in the Wider Community

Manav Rachna has a range of elective courses and core courses focusing on sustainability and SDGs. A course titled – “Art and Sustainability” in the second semester of the Bachelor of Liberal Arts Program focuses entirely on the reflection, action and liberation element of sustainability by the application of various art forms – viz. music, dance, theatre, cinema and performance. The Core Foundation course titled – “Environmental Studies” which is offered across the University for all the students creates an interdisciplinary process of training and learning on the varied perspectives of sustainability and SDGs. A dedicated open elective course titled – “Solid Waste Management”, “Food, Hygiene and Sanitation”, “Philosophy and Physiology of Yoga”, “Green Energy Resources”, “Health, Fitness and Education”, etc are also offered across the University.

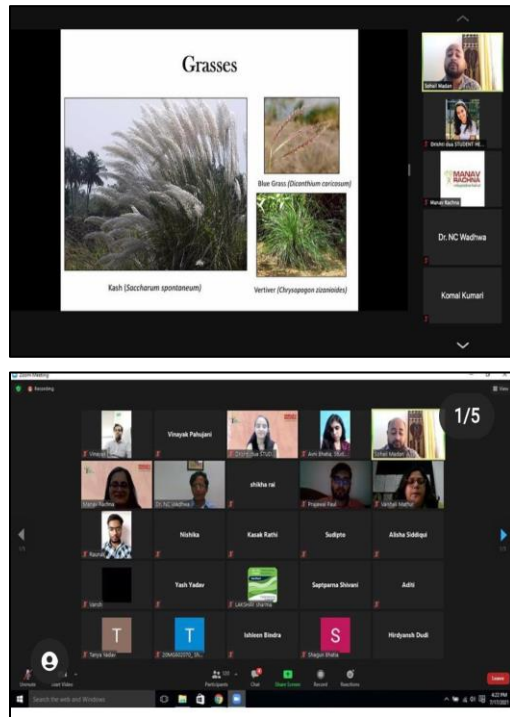

The curriculum structure is oriented and integrated into a sustainability discourse across all courses of the University. More details are provided on the evidence section.

The **University** has a **list of outreach and educational activities for alumni, residents and displaced people** which it conducts through the foundation called – “OP Bhalla Foundation”. As a part of these measures, the MR Educational Institutions have initiated measures like – “Mohna Village” adoption, extension of community services for local residents of the “Mohna Village” within the Faridabad district.

Additionally, community health camps have been organized at Laxmi Narayan Mandir, Sector 16, Faridabad where medical extension services have been provided to communities and they have been treated for osteoarthritis, Shoulder pain, cervical pain, Obesity, Diabetes,

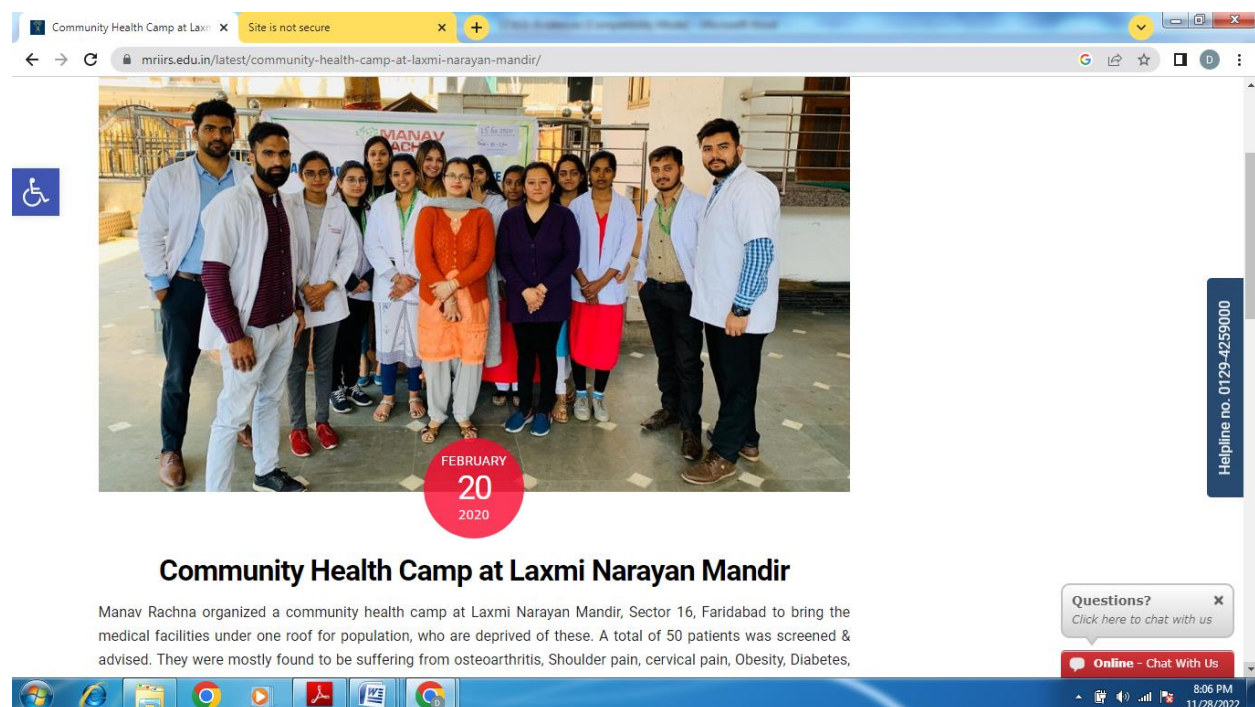

Hypertension, etc. Regular exercise, ergonomic advice, and lifestyle modification had been emphasized upon to provide community services for the people around the Laxmi Narayan Mandir.
