### **Session for Faculty Members towards their role in Gender Sensitization**

**Date: 25<sup>th</sup> January 2023**

The Department of Nutrition and Dietetics along with the department of physiotherapy, Faculty of Allied Health Sciences conducted an awareness session on "Gender Sensitization" on 25<sup>th</sup> January 2023, Wednesday. The session was conducted in order to make the teaching and non-teaching staff both aware about the respecting differences, inclusivity, consent, boundaries and inequality towards the genders. For the session, Dr. Pratibha Singh, Professor and Dr. Kshitija Bansal, Associate Professor explained topics of gender sensitization starting from the meaning of gender to the POSH law (Prevention of sexual harassment). The session gave us a clear insight about the old stereotypes of gender and why they should be modified for the wellness of society. In addition to this, members learnt about the presence of "GENDER SENSITIZATION CELL" at MRIIRS along with its reason of presence, functioning and the help they can get from the cell. Members took part in the conversation actively and showed good interest towards the session.
