# Right Approach to Understanding Student Higher Education (RUSH)

The Right Approach to Understanding Student Higher Education (RUSH)" is a unique and innovative educational program designed to provide students from Grade IX to XII with insights into hands-on training in their preferred career groups with certifications. This program, offered free of cost, is driven by experienced professionals from academia and industry. It aims to help students develop analytical and cognitive skills relevant to their dream careers. The program offers a wide range of courses catering to different career interests, encouraging students to explore and deepen their knowledge in various fields.

RUSH provides students with 11 different career group options to choose from, allowing them to gain practical experience in their areas of interest. The course offerings include:

The RUSH program is designed to achieve several objectives, including:

- **Career Exploration:** Providing students with a practical understanding of various career fields, helping them make informed decisions about their future.
- **Skill Development:** Offering hands-on training and experience to develop analytical and cognitive skills relevant to their chosen career groups.
- **Promoting Lifelong Learning:** Encouraging a love for learning and inspiring students to pursue further education in their areas of interest.
- **Facilitating Mentorship:** Connecting students with experienced professionals who can guide and inspire them in their chosen fields.
"The Right Approach to Understanding Student Higher Education (RUSH)" is a commendable initiative that offers students a unique opportunity to explore their career interests and develop essential skills. The diverse range of courses available ensures that students can find a field that resonates with their aspirations and goals. The program not only benefits the students but also contributes to the development of a skilled and knowledgeable workforce for the future. This initiative demonstrates the commitment to quality education and career development for young learners.

Under RUSH Campaign, MRIIRS conducts hands-on training for the school students during which students can use MRIIRS resources and have a practical experience of the numerous tools, equipment and machinery of their interest. Students of different schools can apply for the course of their interest through a dedicated portal which can be accessed from the given link: Rush Programs – Manav Rachna Vidyanatariksha (mriirs.edu.in)

Under RUSH Campaign, MRIIRS conducts hands-on training for the school students during which students can use MRIIRS resources and have a practical experience of the numerous tools, equipment and machinery of their interest. In January 2023, many students applied for the RUSH programme in different domains and attended the training in their respective courses at MRIIRS campus
