

“DESIGNEN 2k23”, an AutoCAD Technical Quiz and Modelling Competition

DESIGNEN is an annual event that is organized jointly by the Department of Civil Engineering and Department of Mechanical Engineering, FET, MRIIRS, Faridabad. DESIGNEN 2k23, an AutoCAD Technical Quiz and Modelling Competition on April 07, 2023. The competition was conducted in two rounds: Quiz Round and Modelling Round. The quiz competition consists of 30 questions related to AutoCAD. Ten students from round 2 with maximum marks were selected for round 2, which experienced an intense competition between the participants. In round 2, participants had to make 2 different models by using different commands of AutoCAD. This round is time – based and the participant who can complete the models by using maximum commands in minimum time period was declared the “winner”.
