

## Expert Talk on Importance of Quantity Surveying (Estimation and Costing)

The Department of Civil Engineering, Faculty of Engineering and Technology (FET), Manav Rachna International Institute of Research and Studies (MRIIRS) organised an Expert Talk on “Importance of Quantity Surveying (Estimation and Costing)” on August 16, 2021. The speaker of the Expert Talk was Mr. Nishant Goswami (Director, Reinforced Quantity Surveyor and Training Pvt. Ltd.). The session began with the discussion on the five phases of the construction procedure – Initiation, Planning, Implementation, Performance and Monitoring, and Closing. He discussed the Role of Estimation and Quantity Surveyor in any construction project. His talk also emphasized on the 3M’s of construction project: Material, Manpower and Machineries. The talk experienced a well – interactive session from both the speaker and audience ends on the types of drawings and their importance at construction site.
