## 1. INTRODUCTION

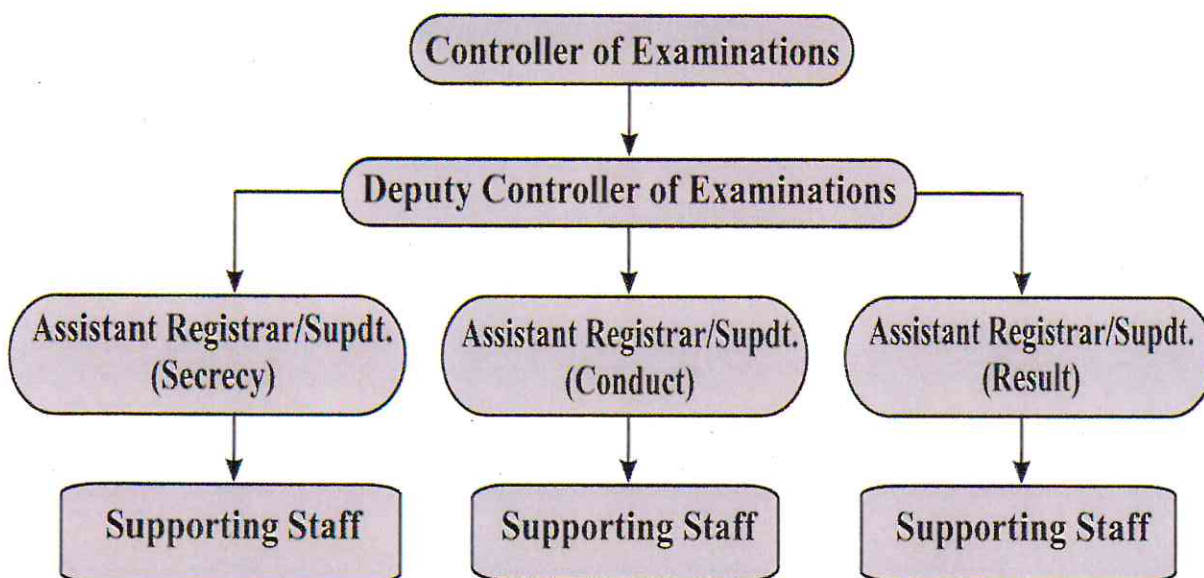

Examination function in the education system of a Higher Education Institute holds a pivotal position. It's the much avowed objective of any HEI to ensure that the students during the tenure of their education acquire the Graduate Attributes (GAs), Programme outcomes (POs), Programme Educational Objectives (PEOs), Programme Specific outcomes (PSOs) and Course outcomes (Cos) of different courses. These outcomes have to be suitably aligned and measured in an Outcome Based Education. Evaluation through examinations- both formative and summative provides the necessary prime mover to accomplish this all- important task. Therefore a sound, robust, transparent and technology-enabled examination system with high reliability and fidelity has to be a *sine quo non* in an HEI for it to prosper and inspire confidence in its stakeholders.

Adhering to the above, MRIU have in place a time-tested examination system in place which has incorporated the aforesaid basic tenets. We continuously continue to hold consultative meetings for ushering in reforms to bring about accretion to efficacy and integrity of our examination system. Technology and various psychometric techniques are leveraged to enhance the quality level of the system.

## 2. ORGANIZATION STRUCTURE OF THE EXAMINATION BRANCH

The operations of the Examination Branch are granularized into three broad areas: Conduct, Result and Award Management. Each one of these verticals is looked after by a dedicated Deputy Superintendent / Superintendent. All functions germane to question paper settings are included in the Conduct vertical. Result and Award Management are the other two verticals. These functionaries report to Dy. COE and COE. PVC of the University guides and oversees the Branch with COE at the helm of affairs. As of now, all the functionaries are very well experienced with an average tenure of over 6 years at this University.

**ORGANIZATION STRUCTURE OF THE EXAMINATION BRANCH IS DEPICTED BELOW:**

### 4. CONDUCT OF END SEMESTER EXAMS (DEC, 2016 AND MAY 2017)

- During the 2016-2017 academic year; 55 examinations for Undergraduate, Postgraduate & Ph.D. programs were conducted.
- The examinations of Mid Term Examinations (MTE) and End-Term Examinations (ETE) have been conducted as per Academic Calendar, notified by the Dean-Academics.
- End Semester Exams of Dec 2016 were conducted from 22.11.2016 to 29.12.2016 and Exams of May 2017 were conducted from 01.05.2017 to 20.06.2017 as per respective date sheets.
- The date sheet for each programme had been notified well in advance and circulated to all Dean(s)/Websites/Notice Boards of the University.
- **Confidential work:** The panel of question paper setters duly approved by BOS had been invited from the respective departments, selection of the paper setters was done, 990 numbers of offer letters were sent. After receipt of question papers, the Moderators did moderation of the question papers. The selected question papers were printed & packed in the designated sealed cover envelopes. The sealed envelopes were dispatched at the examination center half hour before on each day of examination.
- **Conduct Committee:** The examination Supdt./Dy. Supdt. are appointed to conduct the examinations at designated examination centers, vide notification issued on 02.11.2016 (Dec. 2016) and 04.04.2017 (May 2017).
- **Flying Squad:** To prevent the Unfair Means practices during the examinations, flying squad is appointed to ensure fair and smooth conduct of examination.

- **Result Preparation:**

- i) Subsequent to the receipt of Sessional and end semester marks from the faculty, final result is prepared by deploying an in-house developed software.
- ii) The result preparation comprises of two level rationalization/moderation. In the first constituent step, for any one programme, global overage of marks of all courses involved is computed for theory papers only. Marks of all courses are rationalized with respect to this global overage. This ensures that any deviation because of varying degrees of difficulty of question paper, if any, are smoothened. In the second level of moderation, frequency distribution of marks and grades is first worked out, then using the principle of relative grading, threshold levels of different grades are suitably modified, if needed. This is executed by a committee comprising respective Deans, COE and HODs.
- iii) After this the data is transmitted to another constituent automated unit for preparation of Grade Cards, transcript and degrees with photographs affixed.

- **Result Declaration:** The results for all the programmes have been declared as per procedure within stipulated time, vide notification issued on 06.01.2017 (Dec. 2016) and 06.06.2017 (May, 2017).

- **Re-evaluation** had been provided to the students, vide notification issued on 23.02.2017 (Dec 2016) and 08.08.2017 (May 2017).
