- ✚ Among the top 600 globally for Good Health & Well Being (SDG-3)- 11th in India and for Gender Equality (SDG-5) – 12th in India

As an educational institution that thrives with the motto "Sustainability drives Globality", our zealous pursuits towards sustainable actions are at the heart of all our initiatives.

The National Education Policy 2020 makes a call to action for all Indian universities to become digitally mature universities. Digital Maturity Framework survey was conducted by QS in collaboration with AWS and Intel during the month of March 2023 and MRIIRS has attained overall level (L3-Digitally Advanced) with Quality Assurance and Professional Development Parameters rated as level 4 with full scores. The UGC vide letter No. F.No. 22-1/2019(CPP-1/DU) dated 10th June 2020 has granted 12B Status to MRIIRS. A well-entrenched Internal Quality Assurance Cell has led to many quality-enhancing initiatives in the University. Energy Management System of MRIIRS is ISO 50001:2018 and the Environmental Management System of MRIIRS is ISO 14001:2015 certified.

· *University Curricular and Teaching-Learning Aspects:*

MRIIRS is offering UG (30), PG (23) and Ph.D. programmes in the broad areas of engineering, management, dental, media, business-studies, physiotherapy, foods and nutrition, social-sciences, computer applications and other consanguineous areas. We have forged knowledge

partnerships with leading organizations like Microsoft, Mitsubishi, Xebia, UI Path, Honda Motors, Electric One Mobility Pvt. Ltd., UpGrad, Bombay Stock Exchange and others to add value to our programmes. Our students and faculty members have been engaged with a large number of MOOCs so as to enrich and broaden their knowledge-base. A Local Chapter of NPTEL-SWAYAM at MRIIRS has been recognized with a rating of 'A' based on the performance in NPTEL Online Certification courses. The emphasis is on imparting quality education along with fostering a spirit of inquisitiveness among the students to open up new vistas of knowledge. Great store is set by practical training in the laboratories, industry attachments and project works.

· *Research and Innovation:*

MRIIRS believes in touching and transforming every life through an academically sound, intellectually inspiring and supportive environment which ushers innovative, academic and applied research within and cross-domain disciplines. In the onward research journey at MRIIRS, efforts have been undertaken to not only seed the culture of research but also to achieve substantial momentum in the research publications in Scopus and Web of Science apart from several in PubMed, UGC care with the University h-index as 38. To promote a research culture as a testimony of its commitment towards excellence, Research Innovation and Incubation Policy augmented by necessary infrastructure, aids the ecosystem to stimulate quality research in emerging areas. The university has been recognized for its research acumen at State Government level, as reflected in award of State Government Projects on National Flagship Programs namely Jal Jeevan Mission (JJM) and Atal Bhujal Yojna. Several other research projects, consultancy projects, start-ups and patents are on the horizon of research at the campus. We have a well-entrenched Ph.D. programme in the University and all UGC guidelines 2016 on the subject are followed.

The Manav Rachna NewGen IEDC funded by NSTEDB has contributed towards the creation of the Innovation ecosystem and has led to innovative start-ups, quality patents, and numerous recognitions won at various national and international platforms. Regular research/innovation related events are organized at MRIIRS for the students to showcase their relevant skills: Projects of our students are highly appreciated in different forums and have regularly won awards and recognition in various national and international competitions. Manav Rachna Research, Innovation and Incubation Centre (MRIIC) acts as a facilitation centre for the students. The Manav Rachna NewGen IEDC funded by NSTEDB has contributed towards the creation of Innovation ecosystem and has led to 85 start-ups, 27 granted-patents, 220 published-patents with more than 120 notable research and innovation awards and recognition won at various national and international platforms.

· *State-of-the Art Infrastructure:*

A sprawling campus on the outskirts of Delhi with well-equipped laboratories, classrooms aided by smart devices, seminar halls, auditoriums, amphitheatres, campus-wide internet access along with liberal computer resources go a long way in providing a stimulating academic ambience. A state-of-art library rendered with rich digital resources (accessible through online portal and is fully automated using KOHA and RF-ID systems), necessary amenities and technological support provides a huge repository of knowledge. The university houses grounds for cricket, volleyball, basketball, badminton & soccer, international shooting ranges of 10m, 25m and 50m and other infrastructure gymnasiums (outdoor and indoor), squash, table-tennis, pool, Yoga and music & recreation which helps students in realizing their inherent talents and provide a unique avenue for recreation.

RASHTRIYA KHEL PROTSAHAN PURASKAR from the President of India as the best university for promoting sports bestowed on November 13, 2021 is a testimony to the university's commitment in fostering talent.

· *Institutional Social Responsibility:*

We are well aware of the social responsibility of academic institutions and we discharge our commitments to the community with great alacrity. Regular participation in Institutional Social Responsibility (ISR), such as carrying out activities in the fields of Awareness and Prevention of Deadly Diseases, Swachha Bharat drive, Oral Hygiene, Rehabilitation, Environment, Social Upliftment, Ek Muthi Daan, Waste Paper Collection Drive, Mega Plantation Drive, Removal of illiteracy through many programmes including Teacher on Call and Kaushal Karyashala, Regular Health Camps, Blood Donation, Awareness and Prevention of Child Labour, Anti Ragging and Social Harmony is customary with us.

5) Research

MRIIRS Research and Development Cell (RDC) is committed to research and innovation as a central part of its mission aligned with the National Education Policy (NEP) 2020 and the UGC's efforts to promote research that contributes meaningfully to the goal of a self-reliant India, known as Atma Nirbhar Bharat.

The main objective of RDC is to create a conducive environment for enhancement of research productivity, knowledge generation, facilitation of research, innovation and technology development and resource mobilization; thereby integrating Research, Innovation and Technology Development for sound foundation for students and enhancing professional growth of faculty members.

A. Research and Development Cell

The RDC oversees the management of publications, innovations, and incubation activities at MRIIRS. Different research directors are appointed for each domain to achieve the yearly

benchmarks set by the university. The university has engaged in numerous projects, both government and non-government, with a notable focus on initiatives such as the Jal Jeevan Mission (JJM) and Atal Bhujal Yojna. Additionally, collaborations include projects with organizations like NSFM-ICAR, TARE Scheme SERB DST, Haryana State Council for Science, Innovation, and Technology, and the Indian Endodontic Society.

Another key component of this initiative is the Manav Rachna Incubation Centre designed to encourage and support the development of knowledge-based and technology-driven startups. The centre takes pride in its 107 alumni student startups and the presence of 85 startups on campus till the year 2022-23. Furthermore, the centre has gained the support of the Government of India-funded NexGen Innovation and Entrepreneurship Development Centre (NexGen IEDC), aimed at helping students commercialize their innovative ideas. Additionally, the centre benefits from an active and vibrant Entrepreneurship Development Cell run by students. Each shortlisted student startup is provided with a prototype development grant of up to Rs. 2.5 lakhs.

B. Publications

Over the past five years, there has been a significant achievement in research publications, with 1870 publications recorded in the Scopus database alone. MRIIRS has an established Research Policy which mention incentive scheme to encourage faculty members, resulting in a noticeable increase in publications in indexed and referred journals, reflecting the scientific prowess of researchers. This effort has led to an increase in the H-index from 17 in 2016 to 38 in Scopus and 31 in WoS (Web of Science) as of 2024.

C. Patents

At MRIIRS, a significant amount of intellectual property emerged from research projects, innovations, collaborations, and creative endeavors. In the year 2022-23, 12 patents were granted, and 72 patents were published.

D. Foreign Collaborations (wherever applicable)

MRIIRS has actively pursued collaborations with foreign industries and universities as part of its commitment to global engagement and knowledge exchange. These collaborations span various sectors, including academia, research, and industry, fostering opportunities for joint projects, exchange programs, and knowledge transfer. By partnering with esteemed institutions and industries abroad, MRIIRS seeks to enrich its academic and research environment, broaden the horizons of its students and faculty, and contribute to global innovation and development initiatives. In its quest for excellence, MRIIRS Academic tie-up with a number of prestigious foreign Universities such as Auckland Institute of Technology, New Zealand, Universitas Sultan Ageng Tirtaya (UNTIRTA), Universiti Teknologi MARA (UiTM) Shah Alam, National University of Ukraine on Physical Education and Sport, Ukraine, St. George University, West Indies, The University of Waikato, New Zealand, The University of Winnipeg, Canada, The notable ones

include Laurentian University, Livingstone International University of Tourism Yuan Ze University, Taiwan, Wentworth Institute of Higher Education, Australia Western Sydney University, (Sydney) Ilinios Institute of Technology, (Chicago) Norquest College, (Canada), Ohio University, (US) Universiti Teknologi Malaysia (UTM) The University of Newcastle, Australia, Universitas Indonesia, Indonesia, Purdue University North West (USA).

F. Industry Collaborations

MRIIRS has established key collaborations and MoUs with prominent industries, facilitating partnerships for research, skill development, and knowledge exchange. These collaborations span various sectors, offering students valuable opportunities for internships, hands-on learning, and industry exposure such as Mitsubishi Electric India, Microsoft, Coding Ninajs's, Electric One, Energy Research Institute-TERI, Oracle, Honda, Bombay Stock Exchange(BSE),Asian Hospital,Sarvodhya ,Infispark,sony,Zell Edictaion ,UPGrad (Talentedge),The Institute of Company Secretaries of India (ICSI) ,Electronic Industries Association of India ,CAIRNS-Vedanta Oil & Gas Pvt Ltd Gurugram ,EMTRC and Sony many more .

G. Central Facilities

Centers of Excellence have been established in collaboration with industry partners from time to time. The research ecosystem enhanced through these CoEs has been established to cater the needs of students and faculty members who are inclined towards research, innovation, have novel ideas and are buzzing with out-of-box thinking • We focus on developing research infrastructure for enhancing our research and improving our research quality drastically. Dedicated Research Laboratories have been established to cater the needs of the researchers across the campus. These labs have state of art facilities sponsored by industry and organization named as Intel® Intelligent Systems Lab e Springer Nature Academic Research Lab, The Applied Research Lab, Mitsubishi Authorized Training Centre, Sports Science Rehabilitation Centre , Centre of Dental Excellence.

Manav Rachna Centre For Advance Water Technology & Management (MRCAWTM) was established under FET, MRIIRS Faridabad on 13th April 2017 as a Centre of Excellence with the vision to ensure 'Clean water for all forever'. MRCAWTM is having five field research units, one each at Barmer, Ballabgarh, Khol-Rewari, Palwal and Panchkula. The center, has been recognized for its research acumen at State Government level, as reflected in award of State Government Projects on National Flagship Programs namely Jal Jeevan Mission (JJM) and Atal Bhujal Yojna. In Jal Jeevan Mission (JJM), the university participated as State Implementation

Support Agency (SISA) for Public Health Engineering Department (PHED) with funding of Rs 47.53 lacs for the year 2021-22 and has been given extension for one more year i.e., 2022-23. In Atal Bhujal Yojna Atal Jal, MRIIRS is associated as District Implementation Partner (DIP) with Water Resource and Irrigation for Atal Bhujal Yojna Atal Jal having Faridabad and Palwal Districts as work domains with funding of Rs 7.73 Crores for a period of 4 years.

MRCAWTM in its short period of journey of 5yrs, has been able to achieve significant milestones in the form of projects obtained, executed, and completed. So far 8 projects have been completed between June 2018 and June 2021 of worth ~Rs2.0 Cr.

Manav Rachna Centre Medicinal Plant Pathology (MRCMPP) aims to revive through establishing the medicinal herbal garden. It seeks to encourage and assist residents in citites to bring medicinal herbal plants to their homes and use then to prepare remedies for minor day to day ailments like colds, coughs, fevers, irritability, headaches, and other minor ailments.

The **Centre for Health Innovations (CHI)** stands at the forefront of addressing critical healthcare challenges in our country, employing cutting-edge technologies such as artificial intelligence, to enhance human performance and well-being. The center endeavors to pioneer novel approaches to prevent, diagnose, and monitor health issues, thereby ushering in a new era of proactive healthcare management. Moreover, CHI is dedicated to the development of affordable medical devices that empower patients and healthcare providers alike in managing and treating diseases effectively. The Centre's work spans across five key themes, each addressing critical aspects of healthcare and well-being i)Maternal/Child Health and Nutrition ii)Mental Health iii) invent and develop novel, low-cost, high-impact, portable medical devices iv)Health Data Intelligence v)Sports and Wellness. To achieve the set goals CHI has collaborated with institutions like the Translational Health Science and Technology Institute (THSTI) and ESIC Hospitals.

The Centre for Health Innovations has been at the forefront of facilitating collaboration and knowledge exchange within the healthcare community through a series of impactful events.

1. The Symposium on "Innovations in Maternal and Child Health," held on April 3, 2023, brought together healthcare workers and Asha Workers to discuss and explore advancements in maternal and child healthcare.
2. The Doctor's Conclave, organized in association with the Indian Medical Association Faridabad on September 15, 2023, focused on showcasing the latest innovations in affordable healthcare, fostering dialogue and collaboration among medical professionals.

3. Additionally, the Centre took proactive steps to promote knowledge and skill development among undergraduate students with events like "The Logic Forge" and "X-Ray Insights.", aimed to familiarize students with emerging technologies such as machine learning and provide them with valuable insights into their applications in healthcare which was conducted on 16th January and 16th February 2024.
4. The Centre is providing a six month internship to the fourth year students of MANAV RACHNA INTERNATIONAL INSTITUTE OF RESEARCH AND STUDIES on the Project Based Learning in the areas of mental health, maternal and child health, and sports and wellness.

H. MoUs

MRIIRS has established MoUs with various industries and universities to facilitate credit transfer based on internship experiences, research work, and the delivery of courses for the students. These agreements promote academic and research collaborations, joint degree programs, faculty exchanges, and other initiatives for cross-cultural understanding and academic excellence. Additionally, the students leverage their practical experiences gained through internships and research projects towards earning academic credits. Additionally, students have the opportunity to take courses at partner institutions and transfer those credits back to MRIIRS. The details of major active MoUs are included below:

B. **Fellowships/ Scholarships (Provide details):**

The scholarship policy of the University encourages a good number of students every year and kindles the spirit of consistent performance. MRIIRS students are availing scholarships from government and non-government agencies under various categories such as based on Marks in Qualifying Exam, Toppers Scholarship, based on Societal Needs, Outstanding Achievers in Sports Category, Alumni of Manav Rachna Educational Institution, PhD Scholars, UTTAM and UTKARSH Scheme, Siblings of Manav Rachna in the Same HEI, Ward of MREI Employee, Continuation of Tuition Fee Waiver to eligible students, Girl Candidate, Dr. O P Bhalla Foundation, Ward of Defence Personnel (Army). In the last three years, a substantial sum of more than five crores was awarded in the form of various scholarship policies of the universities.

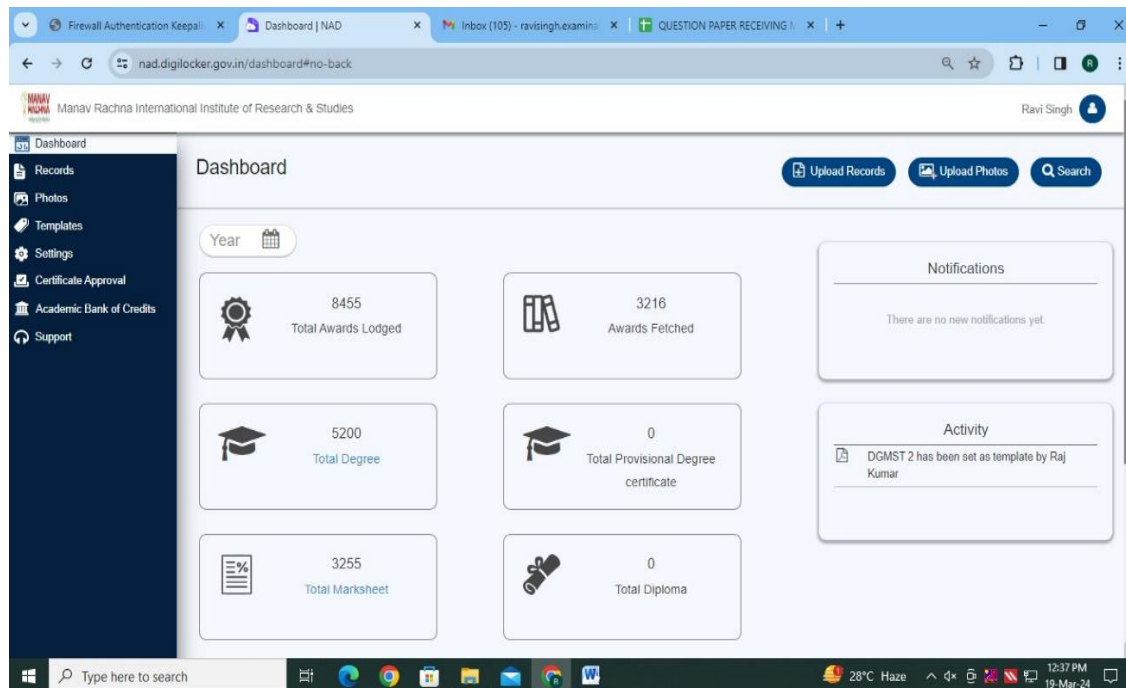

The details of scholarship schemes can be accessed at the following link:

<https://mriirs.edu.in/scholarship-for-students/>

MRIIRS also offers research assistance and fellowship opportunities to aid students and scholars in their academic and research pursuits, provided by both government bodies and the university itself to support students and scholars in their pursuit of academic and research excellence. These programs offer financial support, mentorship, and resources to individuals engaged in innovative research endeavors across various disciplines. In the academic year 2022-23, a total of 48 research scholars received assistance, highlighting MRIIRS's commitment to fostering a culture of creativity and learning

C. **Academic Bank of Credits (provide Link):**

7) Campus Harmony & Well Being

A. E-Samadhan (provide link):

The university is providing the students a convenient, easy to use and efficient digital mechanism of seeking Redressal and resolving Grievances. Every student of MRIIRS uses EMS to access all academic and non-academic information about university, department and course related matters. In the same way it shall include the facility to register grievance for which the student needs any solution. The EMS system shall be designed to ensure quick action and disposal of the grievance within 48 to 72 hours.

<https://mriirs.edu.in/international-institute-of-research-and-studies/redressal-complaint-form/>

1. Student files a grievance from his/her student own EMS ID

Several categories of Grievances are available for the student

Student Grievance Redressal Committee (SGRC) is an integral part of Manav Rachna International Institute of Research & Studies (MRIIRS) administrative affairs. University is focused to ensure the well being, safety, security of the student and his/her academic journey in the university without any hassles. Thus, to make the environment student friendly, the Student Grievance Redressal Committee is to be formed at department level as well as the University level, whereby any student can easily seek Redressal for any grievances that may arise during their stay in the university. The student can approach in person or through the digital platform i.e. Education Management System (EMS).

D. Internal Quality Assurance Cell:

Manav Rachna International Institute of Research and Studies maintains an Internal Quality Assurance Cell (IQAC) to oversee quality processes as both a regulatory requirement and a best practice. The prime task of the Cell is to develop a system for conscious, consistent and catalytic improvement in the overall performance by channelizing its efforts and taking measures towards promoting the holistic academic and administrative excellence of the units. IQAC at MRIIRS advises and oversees establishing Standard Operating Procedures (SOPs) for various constituent processes and procedures of the University in order to thwart any degree of arbitrariness, wayward actions and makeshift arrangements unless some compelling situations justifiably demand otherwise.

IQAC also undertakes periodic academic review of the various departments in which specific measures for quality are suggested and implemented. The cell plays a key role in promoting quality culture in respective academic and administrative units. The cell also conducts faculty and staff development programmes, workshops and expert lectures from time to time to generate quality awareness among faculty and students for enhancing quality of education and student support services. Since quality enhancement is a continuous process, the IQAC at Manav Rachna International Institute of Research and Studies work towards realization of the goals of Quality Initiatives and Sustenance for all its Academic and Administrative Units.
